

# Feedback Out On Highway 101

[Van Morrison](#)

Feedback out on Highway 101  
Feedback out on Highway 101  
Cruisin' easy and your favorite DJ havin' fun  
Look out, stand back  
There's a fool out on the road  
Look out, stand back  
There's a fool out on the road  
Had one too many drinks  
And he just may overload  
Stand back  
Night time cruisin' 'long,  
Cruisin' along

Night time cruisin',  
Night time cruisin' along  
You don't see the setting sun  
(Even 'fore the mornin' come [unverified])  
Feedback, feedback out on Highway 101  
Feedback, feedback, feedback  
Feedback out on Highway 101  
Cruisin' easy and your favorite DJ is havin' fun  
Feedback, feedback  
Feedback, feedback  
Feedback out on highway, Highway 101
