

All I Wanted

Rosemary Loar

Think of me when you're out, when you're out there
I'll beg you nice from my knees
And when the world treats you way too fairly
Well, it's a shame I'm a dream
All I wanted was you
All I wanted was you
I think I'll pace my apartment a few times
And fall asleep on the couch
And wake up early to black and white reruns
That escaped from the mouth, oh, oh
All I wanted was you
All I wanted was you

All I wanted was you
All I wanted was you
I could follow you to the beginning
Just to relive the start
And maybe then we'll remember to slow down
And all of our favorite parts
All I wanted was you
All I wanted was you
