Fourth of July

Fall Out Boy

(You and I were, you and I were fire.
You and I were, you and I were fire.
You and I were, you and I were fire, fire, fire)It was the fourth of July
You and I were
you and I were fire, fireÂ fireworks
that went off too soon
And I miss you in the June gloom too
It was the fourth of July
You and I were,
you and I were fire, fire,Â fireworks
I said I'd never miss you,Â but I guess you'll never know
Where the bridges I have burned never really led home
On the fourth of JulyI'll be as honest as you let me
I miss your early morning company
If you get me
You are my favorite "what if"
You are my best "I'll never know"Oh, I'm starting to forget
Just what summer ever meant to you
What did it ever mean to you?Oh, I'm sorry, I didn't mean any of it
I just got too lonely, lonely, whoa
In between being young and being right
You were my Versailles at nightIt was the fourth of July
You and I were
you and I were fire, fire, fireworks
That went off too soon
And I miss you in the June gloom too
It was the fourth of July
You and I were,
you and I were fire, fire, fireworks
I said I'd never miss you,Â but I guess you'll never know
Where the bridges I have burned never really led home
On the fourth of JulyMy 9 to 5 is cutting open old scars
Again and again 'til I'm stuck in your head
Head my downward spiral,Â never mind I'll be drowned
And I'm the holy water you have been withoutAnd all my thoughts of you
They could heat or cool the room
And now don't tell me you're fine
Oh, honey, you don't have to lieOh, I'm sorry, I didn't mean any of it
I just got too lonely, lonely, whoa

In between being young and being right
You were my Versailles at nightIt was the fourth of July
You and I were
you and I were fire, fire, fireworks
That went off too soon
And I'll miss you in the June gloom too
It was the fourth of July
You and I were
you and I were fire, fire, fireworks
I said I'd never miss you,Â but I guess you'll never know
Where the bridges I have burned never really led home
On the fourth of JulyI wish I'd known how much you loved me, hmm
I wish I cared enough to know, um, hmm
I'm sorry every song's about you
The torture of small talk
with someone you used to loveIt was the fourth of July
You and I were
you and I were fire, fire, fireworks
That went off too soon
And I'll miss you in the June gloom too
It was the fourth of July
You and I were
you and I were fire, fire, fireworks
I said I'd never miss you, but I guess you'll never know
Where the bridges I have burned never really led home
On the fourth of July
