

Stephen

Ke\$ha

Just can't wait Oh boy, I just can't wait for history class

It's my favorite hour of the day

(My favorite hour of the day)

Up on the chalkboard I just love your ass

When you write notes it shake, shake, shakes

(Shake, shake, shakes) So when you get back my pop quiz

(Pop quiz)

What will you think when you read this? Mr. Watson, I want to get with you

I won't tell a soul what we're gonna do

Wanna get my hands in your karky pants

Teacher, Teacher, whatcha gonna do?

(Teacher, whatcha gonna do?)

'Cause I am coming on to you I can't put my finger on what's so sexy

(So sexy)

And why I want you in my bed

(Or on your desk)?

Is it your power, your authority?

Or for the thrill of being so, so bad

(So bad) Can I please see you after class?

There is something that I have to ask Mr. Watson, I want to get with you

I won't tell a soul what we're gonna do

Wanna get my hands in your karky pants

Teacher, Teacher, whatcha gonna do?

(Teacher, whatcha gonna do?)

'Cause I am coming on to you Now I know it's a fantasy of yours

You know

(You know)

It's a fantasy of mine

So why waste time?

Let's do this thing tonight Mr. Watson, I want to get with you

I won't tell a soul what we're gonna do

Wanna get my hands in your karky pants

Teacher, Teacher, whatcha gonna do?

(Teacher, whatcha gonna do?)

'Cause I am coming on to you Come and get it

Mr. Watson, I want to get with you

I won't tell a soul what we're gonna do

Wanna get my hands in your karky pants

Teacher, Teacher, whatcha gonna do?

(Teacher whatcha gonna do?)
'Cause I am coming on to youCome and get it
