

# You Are What You Are (Beautiful)

## Christina Aguilera

Step back!  
Gonna come at you fast  
I'm driving out of control and getting ready to crash  
Won't stop shaking up what I can  
I serve it up in a shot  
So suck it down like a man

So baby yes I know what I am  
And no I don't give a damn  
And you'll be loving it

Some days I'm a super bitch  
Up to my old tricks  
But it won't last forever  
Next day I'm your super girl  
Out to save the world  
And it keeps getting better

Kiss kiss  
Gonna tell you right now  
I make it sweet on the lips  
I'll simply knock you out  
Shut up!  
I don't care what you say  
Cause when were both in the wind  
You gonna like it my way  
Yeah baby there's a feeling in me  
So sexy sour and sweet  
And you'll be loving it

Some days I'm a super bitch (super bitch)  
Up to my old tricks  
But it won't last forever (no)  
Next day I'm your super girl (your super girl)  
Out to save the world  
And it keeps getting better

Hold on  
Keeps getting better  
Hold on

Keeps getting better

In the break of the night  
In the speed of the light  
I hold the universe up  
I'll make your planets collide  
When I strap on my boots  
And I slip on my suit  
You see the vixen in me  
Becomes an angel for you

Some days I'm a super bitch (a super bitch)  
Up to my old tricks  
But it won't last forever (won't last forever no)  
Next day I'm your super girl (super girl)  
Out to save the world  
And it keeps getting better

Some days I'm a super bitch (a super bitch)  
Up to my old tricks  
But it won't last forever (forever no)  
Next day I'm your super girl  
Out to save the world  
And it keeps getting better

Hold on  
Keeps getting better  
Hold on  
Keeps getting better
