

# If You Don't Want My Love

J.D. Souther

If you don't want my love then the road goes on without you  
Leave me just enough and I'll make a little song about you  
I could be standing in the rain but my heart won't break in two  
Not over you

If you don't my love then there's nothing I can do  
If you don't my love I'll be packing up my suitcase  
And no matter what you say I'm gonna find myself a new place  
I could be gone without as trace

But still my love is a true I'm a fool for you  
If you don't my love then there's nothing I can do  
If you don't want my love if you don't want my love  
If you don't my love then there's nothing I can do  
You know my heart would be slowly breaking  
That old feeling comes and goes  
I'd rather die than to live without you  
But things can change you know

If you don't want my love then the road goes on without you  
Leave me just enough and I'll make a little song about you  
I could be standing in the rain but my heart won't break in two  
Not over you

If you don't my love then there's nothing I can do  
If you don't want my love if you don't want my love  
If you don't my love then there's nothing I can do  
I use to love you love a million bucks  
I guess I'll always be a fool in love  
If you don't want my love well bye bye
