I Miss You (Slipmatt & Sparky Remix)

Basshunter

I don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heartHey, I can't sleep
I just can't breathe
When your shadow is all over me
Don't wanna be
A fool in your eyes
When all we had was built on liesI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heartI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heart
I miss youWhat would it take
For you to see
To make you understand
That I'll always believe
You and I can we'll make it through
You still know I can't get over youI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heartI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heartI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heart'Cause when our love fades away
Listen to me, hear what I sayI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heartI don't wanna feel the way that I do
I just wanna be right here with you
I don't wanna see, see us apart
I just wanna tell you straight from my heartI miss youI don't wanna feel
I don't wanna feel the way that I do
