

# Over My Shoulder

## Mike & The Mechanics

Looking back over my shoulder  
I can see that look in your eye  
I never dreamed it could be over  
I never wanted to say goodbye Looking back over my shoulder  
With an aching deep in my heart  
I wish that we were starting over  
Oh instead of drifting so far apart Everybody told me you were leaving  
Funny I should be the last to know  
Baby please tell me that I'm dreaming  
I just never want to let you go Looking back over my shoulder  
I can see that look in your eye  
Turning my heart over and over  
I never wanted to say goodbye I don't mind everybody laughing  
But it's enough to make a grown man cry  
'Cause I can feel you slipping through my fingers  
I don't even know the reason why Every day it's a losing battle  
Just to smile and hold my head up high  
Could it be that we belong together  
Baby won't you give me one more try  
One more try Looking back over my shoulder  
I can see that look in your eye  
I never dreamed it could be over  
I never wanted to say goodbye Looking back over my shoulder  
Oh with an aching feeling inside  
Cutting me up, deeper and deeper  
Fills me with a sadness that I can't hide Looking back over my shoulder  
I can see that look in your eye  
I never dreamed no no it could be over  
I never wanted to say goodbye Looking back over my shoulder  
I can see that look in your eye
