# Back Again

## Reamonn

It's been so long, so long
Since I could hold you, hold you
And you've been so strong
So strong through it allIt's been so long, so long
Since I could hold you, hold you
Did I do wrong, do wrong by youIt's so good to have you back again
You've been my saving strength
It's so good to hold you close again
You've been my saving strengthAll of the pain and the words we were saying
All the mistakes that I know we're not making now
All of fears that tore up in side
And all of the tears that you know that I cried for youIt's so good to have you back again
You've been missed my saving strengthAnd all of the days that I stood there just waiting
And all of ways that I hoped you'd stop hating me now
And all of the fears that I know that you hide
And all of the tears that I know that you cried for me toIt's so good to have you back again
'Cause you've been my saving strength
It's so good to have you back again
For you know you've been my saving strength
