

An Agreement Called Forever

36 Crazyfists - [Bitterness the Star]

Cave in and try to take away
All that I have, all I betray
So much damage I've done
Well this I know, that I just fail
Turn me on me
Turn me on me 'Cause this is everything
I've stripped away, I've stripped away
This is me, well this I know
This is me, well is it? Well the youth has certainly gone away
And at times, and I'd like to erase
Please don't see that I can't have loyalty
'Cause I just fail
Turn me on me
Turn me on me 'Cause this is everything
I've stripped away, I've stripped away
And I have tried to sit you down and take the fall
Look you in the eye and tell you it all
And I have tried to sit you down and take the fall
To look you in the eye and tell you it all I fail
I fail, I fail, I fail 'Cause this is everything
I've stripped away, I've stripped away
This is me, well this I know
This is me
I fail, I fail, I fail, I fail 'Cause this is everything
I've stripped away, I've stripped away
