Let Me Be the One

Intro

Let me be the one you come running to
Be the one you come running
Be the one you come running to
Let me be the one you come running to
Be the one you come running
Be the one you come running toDon't cry lady, dry your eyes
You know I want to be the one
To make you feel alright
If you will let me do what I wanna do
Then I will be the one
The one that you come running toNow wasn't I that special guy
That you could rely on
A shoulder to cry on
If you would give me the opportunity
I'll show you what I'll do
I'll be the one that you come running toLet me be the one you come running to
Be the one you come running
Be the one you come running to
Let me be the one you come running to
Be the one you come running
Be the one you come running toWhen your troubles seem to get you down
Before you can even call me
You know I'm gonna be around
Pick up the pieces of your broken heart
I'll fix it for you, because I'm the one that you come running toNow wasn't I that special guy
That you could rely on
A shoulder to cry on
If you would give me the opportunity
I'll show you what I'll do
I'll be the one that you come running toLet me be the one you come running to
Be the one you come running
Be the one you come running to
Let me be the one you come running to
Be the one you come running
Be the one you come running toLet me be the one you come running to
Be the one you come running
Be the one you come running to
Let me be the one you come running to
Be the one you come running

Be the one you come running toNow wasn't I your special guy
That you could rely on
