

You Give Love A Bad Name

Anastacia

Shot through the heart and you're to blame
Darlin', you give love a bad name
Fuck you
An angel's smile is what you sell
You promise me heaven, then put me through hell
Chains of love, got a hold on me
When passion's a prison, you can't break free
Whoa, you're a loaded gun
Yeah, whoa, there's nowhere to run
No one can save you
The damage is done
Shot through the heart and you're to blame
You give love a bad name
I play my part and you play your games
You give love a bad name
You give love a bad name
You paint that smile on your lips
Blood red nails on your fingertips
A school boy's dream, you act so shy
You're very first kiss was your first kiss goodbye
Whoa, you're a loaded gun
Whoa, there's nowhere to run
No one can save me
The damage is done
Shot through the heart and you're to blame
You give love a bad name
I play my part and you play your games
You give love a bad name
You give love
Shot through the heart and you're to blame
Darlin', you give love a bad name
I play my part and you play your games
You give love a bad name
Shot through the heart and you're to blame
You give love a bad name
I play my part and you play your games
You give love a bad name
You give love a bad name
