[Verse 2: Yale Lucciani]

True Religion fein  
Iced up with the team  
Lighted up with lean  
Smoke until I dream  
Shit ain't what it seems  
You might need some glasses  
Give my nigga ?  
This shit might get tragic  
True Religion fein, 3 hunnit for pants  
You don't have a chance  
Bitch I shop in France

Money make her dance  
Then she fuck my mans  
Cop the work and bag it  
Break bud with the clan  
GBE big menace  
We don't want no winners

(?)

My true section ridiculous  
Bitch I got that bag  
Bitch I stay in trues  
2hunna on shoes  
My lil nigga rule

[Hook]x2

I'm a True Religion fein  
Bitch what the fuck you mean?  
I'm a True Religion fein  
Bitch what the fuck you mean?  
I'm a True Religion fein (x8)
