Song #1

Serebro

Its a dirty money track, Yeah,
Girls kick the flow!Listen to me
All my girls get ready
Well make it easyWhen I catch you picking me
You better get a chill
Boy you wanna take on me
Cuz Im your killing pillCant you see the way I move
My dress my flashy skin
Listen up you know I got
The place youve never beenSlow down
Boy you dont wanna let me down
You better stop you know what!Oh! Dont call me funny bunny
Ill blow your money money
Ill get you to my bad ass
Spinning for you
Oh! Ill make it easy honey
Ill take your money yummy
Ive got my bitches
Standing up next to meSo come and check it
So come and check it
So come and check it
My bad ass spinning for you (2x)Watch out!Keep on taking over you
Its kinda getting free
Baby boy you know I still
Got sexy freak in meGotta tease you nasty guy
So take it dont be shy
Put your cherry on my cake
And taste my cherry pieSlow down
Boy you dont wanna let me down
You better stop you know what!Oh! Dont call me funny bunny
Ill blow your money money
Ill get you to my bad ass
Spinning for you
Oh! Ill make it easy honey
Ill take your money yummy
Ive got my bitches
Standing up next to meMaybe Ill take you
With me tonight
Maybe youll show me another way

And find a reason for me to stay
But something I must tell you!Feel my vibration
Get it!Oh! Dont call me funny bunny
Ill blow your money money
Ill get you to my bad ass
Spinning for you
Oh! Ill make it easy honey
Ill take your money yummy
Ive got my bitches
Standing up next to meSo come and check it
So come and check it
So come and check it
My bad ass spinning for you (2x)
