

# Feels Like Heaven (Duet with Chaka Khan)

## Peter Cetera

All through my wandering years  
I always said I was biding my time  
All alone in the dark I'd face my fears  
That no other heart would come to mineAt first when you found me  
It took me a while till I realized  
Why I felt weak when you were around me  
Why I couldn't speak when I looked in your eyesAll this time I've been searching  
Until you, I was lost in my dreams  
And I never knew that love could feel like Heaven  
Watching over meOoh, wherever you go  
Invisible hands reach over the miles  
For every wish that you make to the stars  
There's one silent kiss I send to the skyAll this time I've been searching  
Until you, I was lost in my dreams  
And I never knew that love could feel like Heaven  
Watching over meAnd everything has changed since you came my way  
'Cause you put the color in a world of grey  
And you make the love that carries me awayAll this time I've been searching  
Until you, I was lost in my dreams  
And I never knew that love could feel like Heaven  
Watching over meYou know that it feels like Heaven  
Watching over me  
Watching over me  
Feels like Heaven
