

# Symphonia Ix (my Wait Is U)

## Grimes

You try, you try  
To make you cry  
And make you love me

Ohh, I would say yes  
Ohh, I would say yes

The need to be the best before  
The need to rest

Ohh, I would say yes  
Ohh, I would say yes

Si, my wait is u  
My wait is u, my wait is u  
(and I won't go on)

Si, my wait is u  
My wait is u, my wait is u  
(and I won't go on)

To he pain of you deflame can be trying  
Ohh, I would say yes  
Ohh, I would say yes

So as you fade away your life  
I lay dying

Ohh, I would say yes  
Ohh, I would say yes

Si, my wait is u  
My wait is u, my wait is u  
(and I won't go on)

Si, my wait is u  
My wait is u, my wait is u  
(and I won't go on)
