

# Rolling My 8s

## [Zearn](#)

Get ready to Cant Sing and Dance to learn the multiples of eight hit it.

Roll those Eight and roll with style from the begging to the end and you will see when you roll your eights they'll be your best friends 8, 16, 24, and 32 I roll my eight and roll with style how bout you 40, 48, 56, and 64 I can roll my eights and roll with style so let's roll some more 72, 80, 88, and 96 I can roll my eights I roll with the style I roll into it sticks so roll those eights and roll and with style from the beginning till the end and you will see when you roll your eights they'll be your best friends 8, 16, 24, and 32 I roll my eights and roll with style how bout you 40, 48, 56, and 64 I can roll my eight and roll with style so let's roll some more 72, 80, 88, 96 I can roll my eights I can roll with style I roll into it sticksso roll those eights and roll and with style from the beginning till the end and you will see when you roll your eights they'll be your best friends.
