Killa

Emis Killa

Yo Joc, yeah?
I don't think they ready for this one
Cherish, they make me wanna lose control
Yeah, you know who it is, Joc Darkchild
I'm in a white beater two seater cruise control
Pull up and your girl might lose control
Not playa circle but a duffel bag boy
Guarantee they can't get enough of that boy
Saw him from a distance
And I watch him make his way to the bar
He walked up to me slowly, whispers
And he says, "I know who you are
I wanna get to know you"
I can tell he was playa
But he knows just how to make ya
Lose control, somehow I knew
Shawty is a killa but I really want him
And I gotta have him tonight
Shawty heart breaker but it really don't matter
'Cause I really want him tonight
The way he licks his lips
I'm in a infatuated state of mind, oh, yeah
He's so hard to resist
I gotta tell you baby boy, you're so fine
Just gotta have you, oh, yeah
I can tell he was playa
But he knows just how to make ya
Lose control
If you only knew that
Shawty is a killa but I really want him
And I gotta have him tonight
Shawty heart breaker but it really don't matter
'Cause I really want him tonight
Shawty is a killa but I really want him
And I gotta have him tonight
Shawty heart breaker but it really don't matter
'Cause I really want him tonight
Oh, it feels so wrong that it must, it must be right
And I'm so high don't wanna come down

Just let me fly
Aye, aye, let me talk to um
My whips push button, no car keys man
Pop the top like a sardine can
Wrist stay fluttered like New Orleans man
Labron can't stop, I'll be ballin' man
Yeah, I'm pretty sure that you heard the rumors
Gotta a big big cohuna
I'ma pretty slick like Rick Da Rulla
Keep one eye open, my hand on that rude
I Rock Da Cladio, my shades gazel
I break hearts, I heartbreak hotels
I treat yo chick like a pair of ones
Wear ha out one good time and shawty
Shawty is a killa but I really want him
And I gotta have him tonight
Shawty heart breaker but it really don't matter
'Cause I really want him tonight
Shawty is a killa but I really want him
And I gotta have him tonight
Shawty heart breaker but it really don't matter
'Cause I really want him tonight
