

Ten Feet Tall (Remastered)

XTC

Happy I'm floating
Around on my feet now
You make me go dizzy
I'm weak at the knees, yes
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall Well you say I'm faking
And I say don't worry
The way that I bubble
There's something in the make, yes
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall Right, the chemistry is right
This boy has reached his height
This feeling just goes on and on, and on and on
From strength to strength
I'm ten feet long I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall Right, the chemistry is right
This boy has reached his height
This feeling just goes on and on, and on and on
From strength to strength
I'm ten feet long Happy I'm floating
Around on my feet now
You make me go dizzy
I'm weak at the knees, yes
I feel
I feel
I feel
I feel I feel
Ten feet tall
I feel
Ten feet tall

I feel
Ten feet tall
I feel
Ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
I feel like I'm walking
Round ten feet tall
