

Record Company Pimpin'

Ice Cube

Please listen to my demo
Please listen to my demo
Please listen to my demo A nigga told me the record company's the pimp
The artist is the hoe, the stage is the corner
And the audience is the trip, goddamn Incredible young nigga
You can't believe I'm just one nigga
Goddamn, I've gotten bigger, intellect superior
Walk in a room and make the whole interior inferior If you look me in my eyes you might fuck around
And loose control of your mind, body and your soul
Grab a hold, undisputed on the microphone
What you think, if you wink, I'll make you itch think Did you blink, did you ever drink your own brain matter?
Shotgun enema, this ain't no cinema
All praises due to the creator
For this man here, that can't no nigga stand near True, inventor of the W
What you wanna do, I got the red and the blue
Show me one nigga dedicated to raps
I'll show you ten niggas dedicated to snaps Record company death traps settin' decoys
Just to pimp young b-boys
With a cup full of yak, studio contact
Maniac with a contract Well turn up the bass and the motherfuckin' treble
About to do a deal with the devil for my vocal level
Bullshit points, plus he want to rub it in
And take all my publishin', goddamn Do I take it up the rectum just to rock the spectrum?
Give up a right arm, just to do a form?
Hell no, all you motherfuckers gon' leave this bitch limpin'
No more, record company pimpin' No more, no more record company pimpin'
No more, no more record company pimpin'
No more, no more record company pimpin'
No more, no more, no more, no more You ain't pimpin' me, uh uhh, uh uhh
I ain't pimpin' you, uh uhh, uh uhh
I just wanna be free, I just wanna be free
So what we gonna do? Can I holla at you, holla at you? You ain't pimpin' me, please listen to my demo
I ain't pimpin' you, please listen to my demo
I just wanna be free, I just wanna be free
So what we gonna do? Can I holla at you, holla at you? I'ma keep it simple
It went from Please listen to my demo
To Get your ass out my limo
Stretch presidential it's essential
'Cause the record company'll have your ass in a rental If you let 'em, you have to behead 'em

Contracts you never read 'em, CEO's you never met 'em
Sent to an attorney, Bernstein and Burney
Nigga, that's his lawyer, ain't got nothin' for ya
Treat ya like they employ ya, I'm a warrior
Bite you in the ass like a Georgetown Hoya
When they ignore ya calls, you got to hold your balls
Catch a motherfucker slippin' in bathroom stalls
And then you show 'em that you ain't a rookie
Let 'em know that you'd rather have
More points than more pussy, pimp turned bookie
Now how the fuck I get in so much debt, goddamn, we just met
He said, Welcome to the rap game
Motherfucker be confused and broke
Before he know whats happenin'
You can be the star and fuck women
I'ma just play ya back and keep pimpin'
No more, no more record company pimpin'
No more, no more record company pimpin'
No more, no more, no more, no more
You ain't pimpin' me, please listen to my demo
I ain't pimpin' you, please listen to my demo
I just wanna be free, I just wanna be free
So what we gonna do? I got to holla at you, holla at you
You ain't pimpin' me, uh uhh, uh uhh
I ain't pimpin' you, uhn uhh, uh uhh
I just wanna be free, I just wanna be free
So what we gonna do? I got to holla at you, holla at you
It went from Please listen to my demo
To Get your ass out my limo
It went from Please listen to my demo
To Get your ass out my limo
It went from Please listen to my demo
To Get your ass out my limo
It went from Please listen to my demo
Mamas, don't let your kids grow up to be rappers
Unless you tell them if they gonna get in this business
They better learn this business or they gon' get fucked
Simple as that, simple as that
