Break

Three Days Grace

Tonight, my head is spinning
I need something to pick me up
I've tried but nothing is working
I won't stop
I won't say I've had enough
Tonight, I start the fire
Tonight I break away,Break!
Away from everybody
Break!
Away from everything
If you can't stand the way this place is
Take, yourself to higher placesOh, oh,At night I feel like a vampire
It's not right
I just can't give it up
I'll try to get myself higher
Let's go
We're gonna light it up
Tonight we start the fire
Tonight we break awayBreak!
Away from everybody
Break!
Away from everything
If you can't stand the way this place is
Take, yourself to higher placesIf you can't stand,
The way this place is
Take, yourself, to higher placesBreak!
Away from everybody
Break!
Away from everything
If you can't stand the way this place is
Take, yourself to higher places
Oh, oh,Higher places,
Oh, oh,
To higher places,
Oh, oh,
Higher places,
Take yourself to higher places
