

# Here We Go Again

## Operation Ivy

It's not the ending, it's the beginning  
The ground is moist, it rained last night  
Smells like smoke, it smells so clean  
The sun is shining down like a friendly white light  
Here we go again  
Analyzed the world I was born into but I could never understand  
Knew I never wanted to grow up if that meant being a man  
Dominating strict competition is the meaning of our lives  
Stomping on the weak keeps us the winner of the battle in our minds  
Tensions in our lives that are destroying our minds  
Unite themselves together to make our consciousness blind  
Conditioned to self-interest with emotions locked away  
If that's what they call normal then I'd rather be insane  
Relax yourself from giving what you want to do with your life  
Ease up from giving up things like the control of your own mind  
Never ask any question, then you're never gonna get no answers  
Always be wondering what do you want, you keep getting older faster  
Tensions in our lives that are destroying our minds  
Unite themselves together to make our consciousness blind  
Conditioned to self-interest with emotions locked away  
If that's what they call normal then I'd rather be insane  
Insane!  
Insane!  
Hup-hup, hup (x4)  
Pick it up (x16)  
(Hup-hup, hup) (x3)  
Pick-  
(Hup-hup, ho)  
Tensions in our lives that are destroying our minds  
Unite themselves together to make our consciousness blind  
Conditioned to self-interest with emotions locked away  
If that's what they call normal then I'd rather be insane  
Relax yourself from giving what you want to do with your life  
Ease up from giving up things like control of your own mind  
Never ask no question then you're never gonna get no answer  
Always be wondering what do you want, keep getting older faster  
Conditioned to self-interest with emotions locked away (here we go again)  
If that's what they call norma, rather be insane (here we go again)  
(Here we go again)

Another test of manhood  
(Here we go again)  
Just when you thought you won  
(Here we go again)  
More we keep competing  
(Here we go again)  
More the battle has just begun
