Moments

One Direction

Shut the door, turn the light off
I wanna be with you, I wanna feel your love
I wanna lay beside you, I cannot hide this
Even though I try
Heart beats harder, time escapes me
Trebling hands touch skin, it makes this harder
And the tears stream down my face

If we could only have this life for one more day
If we could only turn back time

You know I'll be your life, your voice, your reason to be
My love, my heart is breathing for this moment in time
I'll find the words to say, before you leave me today

Close the door, throw the key
Don't wanna be reminded, don't wanna be seen
Don't wanna be without you, my judgements cloudy, like tonight's sky
Hum's are silent, voices none
Try to scream out of my lungs, it makes this harder
And the tears stream down my face

If we could only have this life for one more day
If we could only turn back time

You know I'll be your life, your voice, your reason to be
My love, my heart is breathing for this moment in time
I'll find the words to say, before you leave me today

Flash you out of my mind, going back to the time
Playing games in the street, kicking balls with my feet
Dancing on my tiptoes, standing close to the edge
There's a pile of my clothes at the end of your bed
As I feel myself fall, make a joke of it all

You know I'll be your life, your voice, your reason to be
My love, my heart is breathing for this moment in time
I'll find the words to say, before you leave me today

You know I'll be your life, your voice, your reason to be

My love, my heart is breathing for this moment in time
I'll find the words to say, before you leave me today
