Lightning Crashes

Phoebe Snow

Lightning crashes, a new mother cries
Her placenta falls to the floor
The angel opens her eyes
The confusion sets in
Before the doctor can even close the doorLightning crashes, old mother dies
Her intentions fall to the floor
The angel closes her eyes
The confusion that was hers
Belongs now to the baby down the hallOh, now feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the Earth again
I can feel itLightning crashes, a new mother cries
This moment she's been waiting for
The angel opens her eyes
Pale blue colored iris presents the circle
And puts the glory out to hideOh, now feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the Earth again
I can feel it, I can feel itOh, now feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the Earth again
I can feel itOh, now feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the Earth again
I can feel it, I can feel it, feel it
