

# Let's Fall In Love (Radio Mix)

## Real Life

And if there's no tomorrow  
Don't live in all your sorrow  
On your own  
Don't make it so hard And never stop believing  
Can't you tell  
I know it's just a feeling It's your foolish heart  
give it all  
You know I won't let you fall  
Take a chance  
I don't mind at all  
And if you stay Let's fall, let's fall in love Oh oh oh  
Let's fall, let's fall in love  
When all you need is holding  
Whenever you are calling  
I won't let you fall  
Talk to me And if it's all confusion  
There's only one solution  
Just fall in love  
Oh oh oh give it all  
And if you stay  
You know I won't let you fall  
Take a chance  
I don't mind at all  
Let's fall, let's fall in love Let's fall, let's fall in love  
Oh oh oh  
I will be yours  
You will be mine  
Let's fall in love
