

# Song #1

## SEREBRO

Its a dirty money track, Yeah,  
Girls kick the flow! Listen to me  
All my girls get ready  
Well make it easy When I catch you picking me  
You better get a chill  
Boy you wanna take on me  
Cuz Im your killing pill Cant you see the way I move  
My dress my flashy skin  
Listen up you know I got  
The place youve never been Slow down  
Boy you dont wanna let me down  
You better stop you know what! Oh! Dont call me funny bunny  
Ill blow your money money  
Ill get you to my bad ass  
Spinning for you  
Oh! Ill make it easy honey  
Ill take your money yummy  
Ive got my bitches  
Standing up next to me So come and check it  
So come and check it  
So come and check it  
My bad ass spinning for you (2x) Watch out! Keep on taking over you  
Its kinda getting free  
Baby boy you know I still  
Got sexy freak in me Gotta tease you nasty guy  
So take it dont be shy  
Put your cherry on my cake  
And taste my cherry pie Slow down  
Boy you dont wanna let me down  
You better stop you know what! Oh! Dont call me funny bunny  
Ill blow your money money  
Ill get you to my bad ass  
Spinning for you  
Oh! Ill make it easy honey  
Ill take your money yummy  
Ive got my bitches  
Standing up next to me Maybe Ill take you  
With me tonight  
Maybe youll show me another way

And find a reason for me to stay  
But something I must tell you! Feel my vibration  
Get it! Oh! Dont call me funny bunny  
Ill blow your money money  
Ill get you to my bad ass  
Spinning for you  
Oh! Ill make it easy honey  
Ill take your money yummy  
Ive got my bitches  
Standing up next to me So come and check it  
So come and check it  
So come and check it  
My bad ass spinning for you (2x)
