For Auld Lang Syne

The Platters

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And days of auld lang syne?For auld lang syne my dear
For auld lang syne
We'll take a cup o' kindness yet
For auld lang syne
We'll take a cup o' kindness yet
For auld lang syne
We'll take a cup o' kindness yet
For auld lang syne
