

The Bells

James Brown

There are four black horses
With eyes of flaming red
Their rovers are tied with ribbing
All around my baby's headThe bells are ringing And their sail is going to sea
Yes I know why they're ringing
They ring on for me
Oh yeaI wish I could see my baby
This can't happen to me
No...Baby please forgive me
I know I've caused you pain
I'll place your tears with diamonds
Just to see your face again
