James Blake

She knows a good thing now
With our own cost and all can hear the word
In my hair and in my thoughts
In my hair and in my thoughtsWe spend the whole days all
We're feeling more apart
And we know you can do morePlease, don't let me hurt you more
It's in your stare and at your core
Please, don't let me hurt you more
Please, don't let me hurt you moreI know this journey's soon
The color of lights and our lives become as you
