

# Don't Let It Be Me

## Scooter

You lift me up  
Just to put me down  
You try to bring me up, up, up  
Confusion all around, yeah  
I hear your words  
And everything you say  
But nothing is the same no more  
Until you go away, yeah Don't let it be me, don't let it be me  
Don't let it be me, don't let it be me  
'Cause I'm never, never, never, never gonna let you down  
Oh yeah, never, never, never, never gonna let you down  
All right, yeah yeah I'll let you go  
To where you wanna be  
I hope one day you'll understand  
What you really meant to me, yeah  
But then I'm gone  
I'm gone far away  
And nothing is the same no more  
Since you went away, yeah Don't let it be me, don't let it be me  
Don't let it be me, don't let it be me  
'Cause I'm never, never, never, never gonna let you down  
Oh yeah, never, never, never, never gonna let you down  
All right, all right  
All right, all right You lift me up  
Just to put me down  
You try to bring me up, up, up  
Confusion all around, yeah  
I hear your words  
And everything you say  
But nothing is the same no more  
Untill you go away, yeah Don't let it be me, don't let it be me  
Don't let it be me, don't let it be me  
'Cause I'm never, never, never, never gonna let you down  
Oh yeah, never, never, never, never gonna let you down Don't let it be me, don't let it be me  
Don't let it be me, don't let it be me  
'Cause I'm never, never, never, never gonna let you down  
Oh yeah, never, never, never, never gonna let you down  
All right
