Wet Paint

Gray Gurkin

Yeah nigga, we gotta fly mothafuckin' whip you hear me?
We pull up, you heard me?
Feelin' like them ho's gon' fuck your car huh?
(Let's go)
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
My ice so hot
(Hot)
Car so clean
(Clean)
Leather so soft, bitch, you know what I mean
My money so long, game so strong
Make the bitch, break the bitch, send the bitch home
See, I pull up in the Range, nigga gettin' this change
(Gettin' this change)
Bitches been watchin' me doin' my thing
Headin' to the jet, pull up in a vet
Bitches in foreign countries been waitin' on that 'X'
Pull up on another set, phone call 'bout sex
Baby girl, hittin' me up, tellin' me her pussy wet
Seein' me on a eleven hundred, uptown we stuntin'
Uptown rep hunter, uptown get money
Beach and a Harley, blowin' on the Marley
Baby givin' me brains like I just bought it
We ain't even trippin', money we flippin'
Bitches keep comin' and we keep dippin'
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
My ice so hot
(Hot)
Car so clean
(Clean)
Leather so soft, bitch, you know what I mean
My money so long, game so strong
Make the bitch, break the bitch, send the bitch home

See I pull up in the Phantom tryin' to just handle it
Bitches give me brains on the side while we handle it
I get the money and then we go to [unverified]
Goin' out of state nigga, doin' it in other [unverified] nigga
Kick it in the G4, know I had to let go
Right in her face, nigga doin' it so we got mo'
Landed it on the island that's what it is
Niggas poppin' off but I get it how I live
Got the club tonight so it's pussy wet candy
Left the bitch home so it's back out handlin'
Hoes all over, hoes all rover
Bitch know how we doin' it so the money's all over
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
My ice so hot
(Hot)
Car so clean
(Clean)
Leather so soft, bitch, you know what I mean
My money so long, game so strong, make the bitch
Break the bitch, send the bitch home
She's a nasty bitch nigga, a gansta ho
Love suckin' dick, homie, that's for sho'
Models with the power make it rain, make it shower
Model six foot with the money and the power
Fresh to death nigga, car so clean
Bitches wanna fuck my 400 machine
6 on the whip, 5 on the G4
5 on the lambo, 5 for my new ho
I ain't even trippin', spent a mil on the Bugatti
Two on the Spider nigga, I got her shit
Popped some bottles with the bitches
I ain't trippin' on these bitches
I be flippin' on these bitches
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
Pussy like paint, pussy wet candy
Bitches wanna fuck my pussy wet candy
My ice so hot
(Hot)
Car so clean
(Clean)
Leather so soft, bitch, you know what I mean

My money so long, game so strong, make the bitch
Break the bitch, send the bitch home
