'99

Harper Simon

I used to step on ...
Nothing was going right,
But didn't know how to talk to you!
Some of us was getting lost along the way
I wanna call you up on, I wanna call you up,
But what is that to say?
Chorus:
Sometimes I wish I could wake up
And see you lying there like it is 1999
I know that a lot has changed since then
But honey,
You're still on my mind!
You're still on my mind!
I wake up, I will...
I wanna see my old friends,
But I just can't seem to get it together
Someone will get lost along the way
I wanna call you up on, I wanna call you up,
But what is that to say?
Chorus:
And see you lying there like it is 1999
I know that a lot has changed since then
But honey,
You're still on my mind!
You're still on my mind!
I don't know why, I can't explain
And my heart cries out for you
It's like trying to get back on a moving train
It's just nothing I can do about it!
Chorus:
Sometimes I wish I could wake up
And see you lying there like it is 1999
I know that a lot has changed since then
But honey,
You're still on my mind!
You're still on my mind!
Some of us get lost along the way
I wanna call you up, I wanna call you up
And what is there to say

What is there to say?
