Christofer Drew

I know that I've been dancing around the truth
Whoa, tell me what the hell I'm supposed to do
And I, I'm a little bit agitated
With a slight scent of denial I'm calling all the time I know I interrupt
But it hurts when I all I hear is you hanging up
La, da, da, da, da, da, da
I won't try that again I'm calling all the time I know I interrupt
But it hurts when I all I hear is you hanging up
La, da, da, da, da, da, da
I won't try that again La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
La, la
Everybody's going to the party
And were having a good time
And I'm feeling alright tonight
With a better judgment Everybody's going to the party
And were having a good time
And I'm feeling alright tonight
With a better judgment Everybody's going to the party
And were having a good time
And I'm feeling alright tonight
With a better judgment, a better judgment I'm calling all the time I know I interrupt
But it hurts when I all I hear is you hanging up
La, da, da, da, da, da, da
I won't try that again
