

Sturm & Drang (Edit)

KMFDM

You make and break your own restrictions
You write and prove your own revisions
You become new You sweat and bleed pure fascination
You thrive upon disintegration
You break through The truth, the lies all fabrications
Only you control your destination
You, you are what you do Sturm and drang
Dir gehören
Sturm and drang
Kunst erleben Sturm and drang
Neu und fremd
Sturm and drang
Mein KMFDM You put aside your resolution
You dig into a new conclusion
You become new You revel in the de-construction
You feel your mind become a weapon
You break through The truth, the lies all fabrications
Only you control your destination
You, you are what you do Sturm and drang
Dir gehören
Sturm and drang
Kunst erleben Sturm and drang
Neu und fremd
Sturm and drang
Mein KMFDM Wiederaufbau und vernichtung
Wirklichkeit und heldendichtung
Edle wahrheit und legende
KMFDM zum bittere Sturm and drang
Dir gehören
Sturm and drang
Kunst erleben Sturm and drang
Neu und fremd
Sturm and drang
Mein KMFDM Mein KMFDM
Sturm and drang
