## LINKIN PARK

Break I cannot take this anymore  
Saying everything I said before  
All these words they make no sense I've found bliss in ignorance  
Less I hear, the less you say  
You'll find that out anyway I find the answers aren't so clear  
Wish I could find a way to disappear  
All these thoughts they make no sense I've found bliss in ignorance  
Nothing seems to go away  
Over and over again Over and over again  
Over and over again  
Over and over again  
Over and over again Just like before  
Like before  
Like before  
Like before  
Like before Everything you say to me  
And I'm about to break  
I need a little room to breathe  
I'm about to break Everything you say to me  
And I'm about to break  
I need a little room to breathe  
And I'm about to break These are the places where I can feel  
Torn from my body, my flesh it peels  
During this ride, we can cut up what we like Waiting alone, I cannot resist  
Feeling this hate, I have never missed  
Please, someone give me a reason to rip off my face  
Blood is a pouring And pouring  
And pouring  
And pouring Shut up when I'm talking to you Shut up, blood is pouring  
Shut up, blood is pouring  
Shut up, blood is pouring  
Shut up when I'm talking to you Shut up, blood is pouring  
Shut up, blood is pouring  
Shut up, blood is pouring  
Shut up, I'm about to break Everything you say to me  
And I'm about to break  
I need a little room to breathe  
I'm about to break Everything you say to me  
And I'm about to break

I need a little room to breathe  
And I'm about to Everything you say to me  
(Takes me one step closer to the edge)  
I'm about to break  
I need a little room to breathe  
(Cause I'm one step closer to the edge)  
And I'm about to break Everything you say to me  
(Takes me one step closer to the edge)  
And I'm about to break  
I need a little room to breathe  
(Cause I'm one step closer to the edge)  
And I'm about to
