I Gave Up

Mark Schultz

I gave up all my striving
I gave up living lies
I gave up analyzing if I measure up or if Iâ€™m right?
I gave up criticizing
I gave up being right
I gave up always trying to be good enough in some peopleâ€™s eyes

Chorus:

Well I donâ€™t need a house on top of the world
I like the car Iâ€™m driving
Everything I got ainâ€™t what Iâ€™m worth
Thatâ€™s not the reason Iâ€™m living
I donâ€™t need to see my name in lights or leave any grand impression
Iâ€™ve got everything I need in life â€˜cause loveâ€™s all weâ€™re taking to heaven

I gave up comprising
I gave up all my pride
I gave up justifying and found who I was in my Saviorâ€™s eyes

Chorus

Always working, never stopping, talking on the cell phone
Never find the time to get away and leave the work load
Run around in circles just to keep up with the Joneses
Even in the 9 to 5 all I really know is .....

I donâ€™t need a house on top of the world
I like the car Iâ€™m driving
Everything I got ainâ€™t what Iâ€™m worth
Thatâ€™s not the reason Iâ€™m living

I donâ€™t need a house on top of the world
I like the car Iâ€™m driving
Everything I got ainâ€™t what Iâ€™m worth
Thatâ€™s not the reason Iâ€™m living
I donâ€™t need to see my name in lights or leave any grand impression
Iâ€™ve got everything I need in life â€˜cause loveâ€™s all weâ€™re taking to heaven

I gave up all my striving

I gave up living lies
I gave up justifying and found who I was in my Saviorâ€™s eyes

I gave up x 2
Oh I gave up
I gave up
Oh yea!
