Pick Me Up

Dinosaur Jr.

Later on, I will find you
Not too strong, not this whileI've been holding off so long
Can't admit that I was wrong
I've been stung when I've been weak
In the end, I disappearBut I've gone
All alongPick me up, cut me out and
[Incomprehensible] you're still smilingI've been wasting all these years
Still you haven't disappeared
I've been lifted, I've been moved
And I don't think I belongAm I wrong
All along?Hold on, hold on
Hold on, hold on
Hold on, hold onHold on, hold on
Hold on, hold on
Hold on, hold on
Hold on, hold onCan't hold on, will I smile?
Could I reach you all the while?
I can't stop, it's always been awfully useless
You just smileAnd can I scream? Am I hurt?
I still miss you, I still burn
Can I bend to your will?
Know I need to have to learn
