## I Want To Know What Love Is

## Tina Arena

Tina Arena In Deep

I Want To Know What Love IsGotta take a little time

A little time to think things over

Better read between the lines

In case I need it when I'm older

Ooh yeah

This mountain I must climb

Is like the world upon my shoulders

Through the clouds I see love shine

It keeps me warm as life grows colder

In my life

There's been heartache and pain

I don't know if I can face it again

Can't stop now

I've traveled so far

To change this lonely life

I want to know what love is

I want you to show me

I want to feel what love is

I know you can show me

Yeah

Gonna take a little time

A little time to look around me

Got nowhere left to hide

Looks like love has finally found me

In my life

There's been heartache and pain

I don't know if I can face it again

Can't stop now

I've travelled so far

To change this lonely life

I want to know what love is

I want you to show me

I feel what love is

I know you can show me

Yeah

Lord help me to be strong

On this road I travel on

When I'm lost and lonely Find me My journey's just begun And I'm not the only one Cause I want to know I want to know Yes I've found out I want you to show me I want to feel what love is Oh yeah I know you can show me I want to know what love is Yes I've found out I want you to show me I want to feel what love is You can't hide I know you can show me Yeah, Nah yeah Cause I want to know want to know Tell me what love is Do you know what it is Tell me what love is Show me what love is Show me what love is
