All Good Soldiers

Bad Religion

All good soldiers crack like boulders The sun climbs up to a razor Violins, new boots and numbers on a chain All good soldiers All good soldiers Fall in line when they march and shout All good soldiers Are a spectacle marching and singing "Will go anywhere", the President says Because the President believes in God Like all good soldiers shouldAll good soldiers wait like warheads When the fighting starts Who will be accountable, a cannibal, a cannonball All good soldiers, all good soldiers All good soldiers Fall in line when they march and shout All good soldiers Are a spectacle marching and singing "Will go anywhere", the President says Because the President believes in God Like all good soldiers shouldIt's six A.M. I could see my breath And the clay dirt is laughing at the weakling boy Today is the day that I'll write my friends It's something I've been trying to remember I had a dream of a wall that was twenty-one storeys tallAll All good soldiers Fall in line when they march and shout All good soldiers Are a spectacle marching and singing "Will go anywhere", the President says Because the President believes in God
