

# Fade Away

## The Black Heart Procession

(Oooooohhhh)  
Through this land of tragedy;  
I try to find my way;  
And in this town of misery;  
I search for you;  
Now we walk away;  
To the last of the days.

(Oooooohhhh)  
And in this world;  
There were only memories;  
Of how we could get through;  
there was just no way to see;  
Now we lost our way;  
In the land of the day.

(Oooooohhhh)  
And in this life;  
How will they remember me;  
Will they see the truth;  
Will they just lose everything;  
Now it fades away;  
To the land of the day.
