

Love Will Lead You Back (Karen Rodriguez)

American Idol

Sayin' goodbye is never an easy thing
But you never said, that you'd stay forever
So if you must go, well, darlin' I'll set you free
But I know in time, that we'll be together
Oh, I won't try to stop you now from leaving
'Cause in my heart I know Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our love will lead you back One of these nights, well I'll hear your voice again
You're gonna say, oh, how much you miss me
You walked out this door, but someday you'll walk back in
Oh, darling I know, oh, I know this will be
Sometimes it takes, sometime out on your own now
To find your way back home Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our love will lead you back But I won't try to stop you now from leaving
'Cause in my heart I know, oh yeah Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our love will lead you back
Yeah, yeah Love will lead you back
Someday I just know that
Love will lead you back to my arms
It won't be long
One of these days our love will lead you back
