

Peace Be Revenged

[Serj Tankian](#)

Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all have to go Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all go We have built our lives
Without nature in mind
So that we've become the disease
But we won't go Those that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged Once we used to hear
But like footsteps appear
Now we have no fear
And in turn will disappear We have built our lives
Without nature in mind
So that we've become the disease
But we won't go Those that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged
Revenge, revenge When the rain washes
All the mitochondria
Try to steer your
Intentions into love When your fears mix with
Brain wash erosions, dear
I won't be here then
You won't be here when When the rain washes
All the mitochondria
Try to steer your
Intentions into love When your dear mix with
Brain wash erosions, fear
I won't be here then
You won't be here when Just watch the rain
Just watch the rain
Rain, watch the rain Just watch the rain

Just watch the rain
Rain, watch the rain Where do we go?
How do we meet you?
