

# Crucify My Love

Emnily

Crucify my love if my love is blind  
Crucify my love if it sets me free  
    Never know, never trust  
        The love should see a color  
Crucify my love if it should be the way  
    Swing the heartache feel it inside out  
        When the wind cries I'll say goodbye  
Tried to learn tried to find to reach out for eternity  
    Where's the answer. Is this forever  
        Like a river flowing to the sea  
You'll be miles away and I will know  
I know I candle with the pain no reason to cry  
Crucify my love if my love is blind  
Crucify my love if it sets me free  
    Never know never trust  
        The love should see a color  
Crucify my love if it should be the way  
    Till the loneliness shadows the sky  
        I'll be sailing down and I will know  
        I know I can clear clouds away  
        Oh is it a crime to love  
    Swing the heartache feel it inside out  
        When the wind cries I'll say goodbye  
Tried to learn tried to find to reach out for eternity  
    Where's the answer. Is this forever  
        If my love is blind  
    Crucify my love if it sets me free  
        Never know never trust  
        The love should see a color  
    Crucify my love if it should be the way
