

# Howlin' For My Baby

## George Thorogood & The Destroyers

    Hmm-hmm, pretty baby, heeheeheehee  
    Heeheeheehee, come on home, I love you  
    If you hear me howlin', calling on my darlin'  
        Hoo hoo hoo whoe  
She's hot like red pepper, sweet like cherry wine  
    I'm so glad she love me, love me all the time  
    She's my little baby, sweet as she can be  
    All this love she got, do belongs to me  
    If you hear me howlin', calling on my darlin'  
        Hoo hoo hoo whoe  
    Heeheeheehee, my baby, come on home  
        I love you, come on home  
    If you hear me howlin', calling on my darlin'  
        Hoo hoo hoo whoe  
Every time she kiss me, she makes the lights go out  
From early in the morning, she makes me jump and shout  
    This bad love she got, makes me laugh and cry  
    Makes me really know, that I'm too young to die  
    If you hear me howlin', calling on my darlin'  
        Hoo hoo hoo whoe  
    Heeheeheehee, come on, I love you  
        Pretty baby
