

A Mother's Love

Sharon Lee Beavers

In a mother's love
 You'll find
 Everything
Everything's alright
To a mother's love
 You are bound
 You can rest
On sacred ground
In a mother's love
 You are free
 To dream
Because she sees
What you can be
In a mother's love
 You see the sun
 Enough for two
 but you are one
In a mother's love
 You can feel
When something hurts
 You can heal
Yes a mother's love
 Is real
 You grow
Because she knows
To let you go yeah... Mama
 Mother's Love
Mother's Love yeah
 Alright
Mama, Mama, Mama
Mama, Mama, Mama, Ma
 yeah
A mother's love
A mother's love
 yeh
 alright
and a mother's love
 nevers lies
she believes you can fly

will hold her mindA mother's love
