Lung

Hooverphonic

To me and to you
There's no difference for us
Again, avail
Your heart some trustLet's open it
Be strong
Cut out
It's lungBe gentle, get on
There's no Spanish comic strip
Give up, for real
Make sure you've got your gunLet's open it
Be strong
Cut out
It's lungLet's open it
Be strong
Cut out
It's lungOhh, ohh
