

# Ooh Song

## King's X

It's not so simple anymore Sometimes it  
can't be done but then there is wisdom To  
fix a broken door, and throw away the key  
Reject what doesn't matter Ooh... It's not  
so hard anymore Sometimes it can be done,  
if there is wisdom The house will shake the  
more Hang-on if you dream cause every-  
thing matters Ooh...
