

Brave

[Kelis](#)

I'm not ashamed of winning
But it wasn't that way in the beginning
It was this way, it was kiss me
Come kick me and diss me I had to give it up
Now it's a way different feeling
You took my soul, I had to steer it back
Now it's this way, now it's flipped, babe
A mistake, just listen, I had to give it up All of this rein you've been given
It's just a reminder of livin'
It was crazy, had a baby
He's amazin' and he saved me And this time it's just us
You raised me up, I can say that
I was too young, I'll never get that back
Now it's this way, now it's flipped, babe
I'm happy, just listen, I had to give it up I was super cool but now I'm super strong
I had nothing to lose but I was super wrong
It was the circumstance I got the power from
I was super tough but now I'm super strong
Super strong I'm a brave heart
I'm a brave heart
I'm a brave heart So come and pin my purple heart
Come and pin my purple heart
Come and pin my purple heart
I didn't run I was super cool but now I'm super strong
I had nothing to lose but I was super wrong
It was the circumstance I got the power from
I was super tough but now I'm super strong I was super cool but now I'm super strong
I had nothing to lose but I was super wrong
It was the circumstance I got the power from
I was super tough but now I'm super strong I was super cool but now I'm super strong
I had nothing to lose but I was super wrong
It was the circumstance I got the power from
I was super tough but now I'm super strong
