Starchild

Galderia

When I was an infant in my mother's arms
I would watch the starlight in her face
'Cause I was reaching out to understand the cosmic charm
I am just a starchild born in space
Way up high above the sky, all that beauty passes by
Whole worlds still unknown
And out beyond the blue, there's a place for people too
It's time for us to go
I have seen the sun shine bright in paradise
I have been there, I have seen it
Way up high above the sky, all that beauty passes by
Whole worlds still unknown
And out beyond the blue, there's a place for people too
It's time for us to go
We have time
(In my dreams)
Time and space, while we're young
(Floating free)
We can chase to the stars
Searching for the magic in the universe
Guided by the stars that light my way
I have seen the sun shine bright in paradise
I am just a starchild born in space
