

# El Gato's Revenge

## Gucci Mane

Southside on the track, yeah  
HahGucci Mane Soprano, my plug call me Carlo (Carlo)  
Act so much so qualo, I should order some cargo  
European auto, Instagram model  
Drankin' out the bottle, heard she like to swallow  
Gucci Mane a model, snakes all on my collar  
Brand new Winnebago, lay low with the yayo  
Yellow bone chicano, her brother call me Gato  
These kicks ain't one day old, one rock then they retro  
On your marks, get set, go, I'm racin' with a peso  
Rainbow with the crayons, they red, blue, green and yellow  
If you hang out with narcos, then I can be your partner  
I live by the G-code, my paper work proper  
Gato, Gato, Gato  
Who is, Gato, Coat, Gato  
Coat, Gato  
Hundreds, Gato, Coat, Gato  
Murder, Gato, work, Gato  
Been, chase, gato, feeling, gun, ass, kill, skkrt, bassI just got a truck-load, I'm dancin' like I'm Diddy (Diddy)  
I deliver bundles, I'll take over your city (Guwop)  
Chopper fully-auto, I'll smoke you like some midgie  
Bullets big as potholes, they'll merk you while I'm pissin'  
CEO, I'm honcho, got twenty-five assistants  
My bricks came with a barcode, but I don't sign to get it  
Don't fuck no more you broke ho, give her to my assistance  
That wig she got on so old, gave her two stacks to fix it  
I'm a desperado, free all the desperados  
Twenty years been back home, he still got his bravado  
My homeboy from MichoacÃ;n, tequilla out the bottle  
You ain't on what Gucci on, a hundred million dollars  
Gato, Gato, Gato  
Wrist, Gato, Who is, Gato  
Coat, Gato  
Hundreds, Gato, Coat, Gato  
Murder, Gato, work, Gato  
Been, chase, gato, feeling, gun, ass, kill, skkrt, bass
